COMPETITIVE AND EXCEPTED SERVICE QUALIFICATION REQUIREMENT: (Education & Experience)

The basic qualifications for this position are in the Operating Manual for Qualification Standards for General Schedule Positions click on link below:

<http://www.opm.gov/qua/SEC-IV/B/GS0600/0602.HTM>

GS-13: Candidate must have 1 year of specialized experience equivalent to at least the GS-12 grade level.

GS-14: Candidate must have 1 year of specialized experience equivalent to at least the GS-13 grade level.

GS-15: Candidate must have 1 year of specialized experience equivalent to at least the GS-14 grade level.

- **Foreign Degree Note:** All foreign degrees must be evaluated by a nationally recognized accrediting agency. You must submit proof of such evaluation and/or conversion.

- **Applicants Please Note:** Education must be accredited by an accrediting institution recognized by the U.S. Department of Education in order for it to be credited towards qualification (particularly positions with a positive education requirement.) Therefore, applicants must report only attendance and/or degrees from schools accredited by accrediting institutions recognized by the U.S. Department of Education. Applicants can verify accreditation at the following website:

<http://www.ed.gov/admins/finaid/accred/index.html>.

- All education claimed by applicants will be verified by the appointing agency accordingly.

Basic Requirements: Basic Requirements: Must be board eligible or board certified in a medical specialty.

Degree: Doctor of Medicine or Doctor of Osteopathy from a school in the United States or Canada approved by a recognized accrediting body in the year of the applicant's graduation. [A Doctor of Medicine or equivalent degree from a foreign medical school that provided education and medical knowledge substantially equivalent to accredited schools in the United States may be demonstrated by permanent certification by the Educational Commission for Foreign Medical Graduates (ECFMG) (or a fifth pathway certificate for Americans who completed premedical education in the United States and graduate education in a foreign country).]

Graduate Training: Subsequent to obtaining a Doctor of Medicine or Doctor of Osteopathy degree, a candidate must have had at least 1 year of supervised experience providing direct service in a clinical setting, i.e., a 1-year internship or the first year of a residency program in an institution accredited for such training. (This 1 year of supervised experience may be waived for research or administrative positions not requiring direct patient care.). For purposes of the standard, graduate training programs include only those internships, residency, and fellowship programs that are approved by accrediting bodies recognized within the United States of Canada.

Licensure: For positions involving patient care, candidates must have a permanent, full, and unrestricted license to practice medicine in a State, District of Columbia, the Commonwealth of Puerto Rico, or a territory of the United States. Applications will be accepted from physicians who are not currently licensed; however, if selected for appointment, they must (a) obtain a license before entering on duty, or (b) meet one of the following provisions:

- *Waiver of Licensure Requirement:* An agency may waive the licensure requirement for positions not involving direct patient care, e.g., positions performing disability evaluations, positions performing solely research, or administrative program managers. If the agency does not waive the license requirement for these kinds of positions, candidates may be appointed subject to obtaining a license within 1 year.
- *Appointments Pending Meeting Licensure Requirement:* Individual circumstances may warrant appointments pending meeting the licensure requirement (e.g., when a candidate has a temporary license to practice until the next regular session of the licensing board). Persons appointed pending licensure may not be retained beyond 1 year of appointment if they do not obtain the license.

This position is being announced at the GS-13/14/15 grade.

Additional Requirements for Grades GS-13 and Above:

The requirements below are grouped according to types of programs-clinical and training, aviation medical, occupational health, disability evaluation, maternal and child health, and research.

- *Clinical and Training Programs-*Within Federal clinical and training programs, a distinction is made between general practice and specialist positions. General practitioners must be skilled in recognizing various medical pathologies that require referral to specialists for diagnostic and treatment procedures. Graduate training and experience must, therefore, be well rounded. Specialist positions require graduate training and experience related to the specialty and subspecialty of the position to be filled. Experience may not be substituted for training essential for performing specialized duties. The length and content of residency programs depends upon the specialization and requirements of recognized accrediting American

medical specialty boards. These boards are authorized to conduct examinations to determine the competence of physicians in the specialty, to issue certificates of qualification, to participate in evaluating the quality of residency programs, and to determine the requirements for certification.

General Practice positions

For GS-13--3 years of graduate training or equivalent experience and training.

For GS-14 and above--In addition to the requirements for GS-13, 1 year of appropriate experience equivalent to at least the next lower grade level.

Specialist positions

For GS-13--3 years of residency training in the specialty of the position to be filled or equivalent experience and training.

For GS-14--4 years of residency training in the specialty of the position to be filled or equivalent experience and training.

For GS-15--5 years of residency training in the specialty of the position to be filled or equivalent experience and training.

Candidates can apply within nine (9) months of meeting the residency requirements; however, candidates cannot enter on duty until they have provided written verification of completion of the residency requirement.

Public Health Service (PHS) Licensure Policy: Each PHS physician must possess and maintain a current and unrestricted license in a State.

Specialized Experience: is experience that has equipped the applicant with the particular knowledge, skills, and abilities to perform successfully the duties of this position, and that is typically in or directly related to the work of this position. **General practitioners must be skilled in recognizing various medical pathologies that require referral to specialists for diagnostic and treatment procedures. Graduate training and experience must, therefore, be well rounded. Specialist positions require graduate training and experience related to the specialty and subspecialty of the position to be filled. Specialized experience that is creditable is experience in the operation of medical services of a hospital of healthcare organization and in a healthcare delivery system. Experience must be progressive and responsible, demonstrating good knowledge of current principles, practice, methods and techniques in the field of medicine. The types of experience that will be credited are shown under the Statement of Duties and Responsibilities. Experience may not be substituted for training essential for performing specialized duties. The length and content of residency programs depends upon the specialization and requirements of recognized accrediting American medical specialty boards. These boards are authorized to conduct examinations to determine the competence of physicians in the specialty, to issue certificates of qualification, to participate in evaluating the quality of residency programs, and to determine the requirements for certification. Applicants must clearly demonstrate in their application that they possess strong qualifications/experience required of this position.** Your description of work experience, level of responsibility, and accomplishments will be used to determine that you meet these requirements. Examples of specialized experience that can be creditable are show under "*Brief statement of Duties*" above. The specialized experience must have been equivalent to at least the next lower grade level in the normal line of progression for the occupation in the organization.

TIME-IN-GRADE REQUIREMENTS: Merit Promotion candidates must have completed 52 weeks of service no more than 1 grade lower than the position to be filled.

- Applicants must meet all qualification requirements within 30 calendar days after the closing date of this announcement.

EVALUATION METHOD: Applicants who meet the basic qualification requirements described above will be further evaluated by determining the extent to which their work or related experience, education, training, awards, outside activities, and performance appraisals, etc., indicate they possess the **Knowledge, Skills, and Abilities (KSA)**, described below. All applicants **must** provide clear, concise examples that show level of accomplishment or degree to which they possess the KSAs either on their applications/resumes or as a separate attachment. The information provided will be used to determine the **Best Qualified** candidates.

If found qualified, your score will range from 70-100 points (not including points that may be assigned for Veteran's Preference) and will be based on your responses to the questions and information stated in your application. Please follow all instructions carefully as errors and omissions may affect your score. Your score is critical for you being referred for the job. You will be deemed well qualified if you score 85 and above.

Applicants must address the following Knowledge, Skills, and Abilities (KSAs) on separate bond paper

1. Ability to provide direct patient care that addresses the health needs of the patient including examination, evaluations, diagnoses and treatment including preventative, preventive and/or therapeutic services to patients.
2. Ability to instructing patients on specific treatment as well as general preventive care
3. Knowledge and skill in providing consultation and problem solving regarding medical issues.
4. Knowledge of the Joint Commission and clinical practice standards and the ability to develop and implement clinical practice protocols and standards of care

These standards also cover positions in the Excepted Service filled under 5 CFR 213.3116(b)(8) by Indians entitled to Indian Preference.

WHO MAY APPLY:

Merit Promotion Candidates (MP): Applications will be accepted from status eligible applicants (e.g., reinstatement eligible and current permanent employees in the Competitive Federal Service) and from current permanent IHS employees in the Excepted Service.

Excepted Service Examining Plan (ESEP) Candidates: Applications will be accepted from individuals entitled to Indian Preference. Current permanent IHS Excepted Service employees and Competitive Service employees or reinstatement eligible applicants entitled to Indian Preference may also apply under the provision of the Indian Health Service ESEP.

- **Candidates must indicate whether their application is being submitted under the *IHS Excepted Service Examining Plan* or the *IHS Merit Promotion Plan*, or both if applicable.**

Veterans' Preference: Veterans who are preference eligible and who have been separated from the armed forces under honorable conditions after 3 years or more of continuous active service may apply. To claim veterans' preference, veterans should be ready to provide a copy of their DD-214, Certificate of Release or Discharge from Active Duty, or other proof. Veterans with service connected disability and others claiming 10 point preference must submit [Form SF-15, Application for 10-point Veterans Preference](#). For more information on all veterans employment issues such as Veterans' preference or special appointing authorities see the [VetGuide](#) found in website WWW.OPM.GOV.

The Veterans Employment Opportunity Act (VEOA) gives veterans access to job vacancies that might otherwise be closed to them. The law allows eligible veterans to compete for vacancies advertised under agency's promotion procedures when the agency is seeking applications from outside of its own workforce.

Commissioned Corps Officers: PHS Commissioned Corps Officers are invited to apply for applicable professional positions for which they are qualified. The USPHS Commissioned Corps Officers who wish to apply for this vacancy announcement must submit a resume and meet the same experience and training requirements for positions as Civil Service applicants as provided by the Indian Health Manual, Part 7, Chapter 3, **and must submit all other documents specified in this announcement including KSAs, transcripts, registration, etc.**

Career Transition Assistance Program (CTAP)/Interagency Career Transition Plan (ICTAP): Surplus or displaced employees covered by the U.S. Department of Health and Human Services CTAP program or the ICTAP program for all agencies, may apply and will be given special selection priority if determined to be eligible and well qualified. **Well qualified** is defined as displaced Federal employees who meet all education and experience requirements, applicable selective factor(s) and receive a minimum rating of 90 out of a possible 100.
